the  ENTRENUUE team

30 YEARS ANNIVERSARY

*With humble beginnings*  
**as a book distributor in Seattle in 1994,  
this year marks 30 years of Entrenue.**

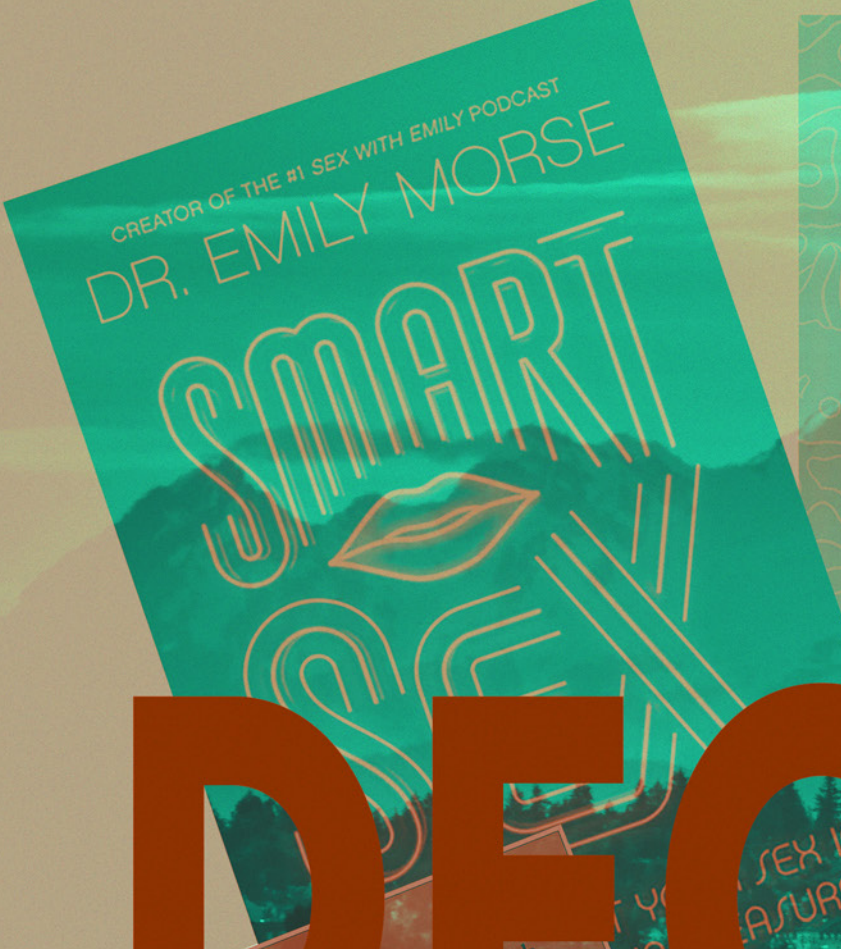

Now located in Phoenix, Arizona, the Entrenue assortment has expanded considerably since its founding. Today, the product catalog spans sexy gifts, health and wellness products, and state-of-the-art sex tech gadgets, expanding minds and experiences through its bespoke product assortment. This reputation for a well-curated product offering and long-held customer relationships made Entrenue an obvious fit for Nalpac when the prior owner Joe Casella decided to sell the company in 2022.

In joining Nalpac, Entrenue customers gain access to two warehouses, streamlined order fulfillment, partnerships with new brands, and a continued focus on specialty products.

Thank you, friends and partners of Entrenue, for your continued business and confidence in Entrenue as a destination distributor for inclusive and innovative brands. We are excited to take this partnership to new levels in 2024.

Sincerely,  
The Craig Brothers, Steve and Andy

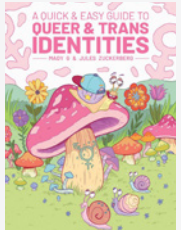

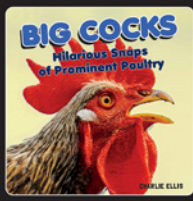

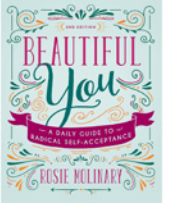

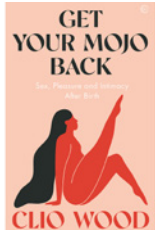

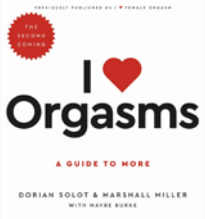

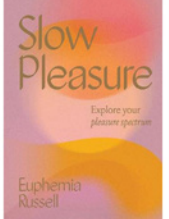

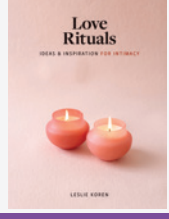

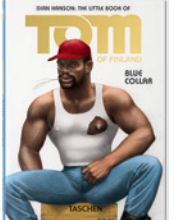

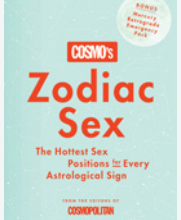

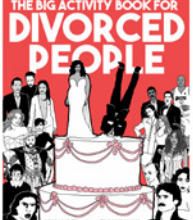

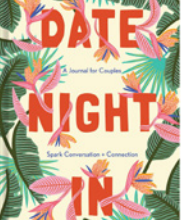

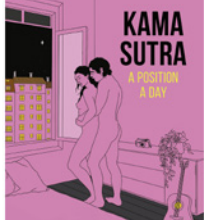

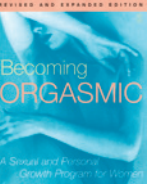

**SEATTLE, WASHINGTON**  
 Not only a hub for music, art, and technology, Seattle is surrounded by every natural beauty the Pacific Northwest has to offer, from forests to coasts to lakes to mountains. Its ample waterfront space gives it beautiful views to admire from its many parks, the ferris wheel at the pier, or the Space Needle. Or better yet, explore in every direction with a romantic boat rental, where you and a partner can make your own memorable views.

**PHOENIX, ARIZONA**

The Phoenix heat may not be for everyone, but in January, Entrenue's home city is a welcome winter escape. This desert oasis features beautiful natural sights from the Desert Botanical Garden in the city's Papago Park to a view of the whole town in a hot air balloon ride. Between the bustling cityscape to its lovely natural outskirts, Phoenix provides plenty of inspiration to create your own heat.

## NIAGARA FALLS, NEW YORK/ONTARIO

The view at the border of the US and Canada feels like a glimpse at the edge of the world. There are multiple ways to experience the majestic waterfalls: from a bird's eye at its park side viewing point, at its base on the hiking trail to the Cave of the Winds, or by boat on the Maid of the Mist. Whatever the method, it's an unforgettable view to share.

### SAN FRANCISCO, CALIFORNIA

San Francisco's iconic architecture and breathtaking views are matched only by its free spirit. The city has long been an epicenter of open-minded philosophy and exploration, giving rise to its queer culture, its vast art and music scenes, and its natural beauty. One can take in coastal views along the nature trails of the Presidio, socialize in Dolores Park, and party in the Castro District all in the same day. You're bound to make friends if you want to add a third or more to your romantic adventure.

## DENVER, COLORADO

Denver nestles into the Front Range of the Rocky Mountain landscape, making it a haven for outdoor enthusiasts as much as city dwellers. One can explore its art and science museums as easily as they can take a weekend escape to a ski resort. Red Rocks Amphitheatre hosts the best of both worlds in its majestic cliffside. With breathtaking natural views in every direction, Denver is a hub for adventurous people to embark on their own adventures together.
