

# We-Connect™

The app that brings couples together.™ Only with We-Vibe®

**Touch. Tease. Turn on.** Couples find new, exciting ways to play with We-Connect™ — whether they're in the same room or on a different continent. With the new

We-Connect app get additional control features, an elegant design that's intuitive and easy to use, and a reliable Bluetooth® connection.

## Touch.

Intuitive touchscreen **control** lets you adjust the vibrations and change intensity with simple gestures. Enjoy independent motor control with dual-stimulation We-Vibe products. And get bonus modes for more ways to explore.

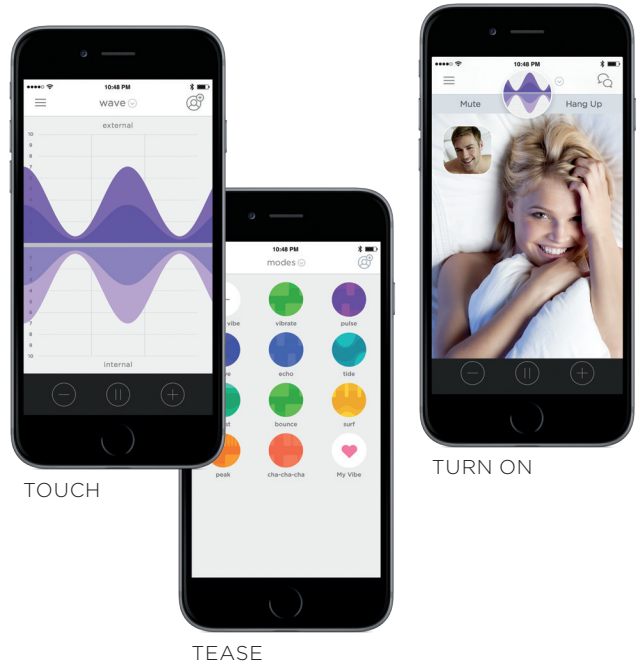

## Tease.

**Create** custom vibration modes to tease and please. Draw a vibe that's all your own. Adjust duration, intensity and save it to enjoy again and again. String a variety of modes together to make a personal playlist.

## Turn on.

**Connect** to your lover from across the room or from a different continent. Build the excitement with secure in-app voice, chat and video. Enjoy the vibes and pass control back and forth.

Works with most We-Vibe products. Look for the Bluetooth® symbol on the box.

- We-Connect is available in English, Simplified Chinese, Czech, Dutch, French, German, Japanese, Polish, Portuguese, Russian and Spanish

# How to We-Connect

Double your pleasure.

## Follow these simple steps:

1. Download the free We-Connect app on your smartphone. Turn on your We-Vibe and follow the on-screen instructions for pairing.
2. Send your lover an invite to connect.
3. Your lover will receive a link. Once tapped it creates a secure connection between your smartphones.

4. A blue light will appear in the Connect Lover icon, at top right corner of the app screen, indicating that you're connected and both in the app.
5. Play together and share control of your We-Vibe product. Build the excitement with in-app voice, chat and video.

## Phone/Tablet Compatibility

We-Connect is compatible with iOS (7 or newer) and Android™ (4.3 or newer) Bluetooth® Smart Ready (Bluetooth® 4.0) products and has been tested to be compatible with the following devices:

Apple Devices (iOS7 or newer)	Android Devices (Android 4.3 or newer)
iPhone (4S, 5, 5C, 5S, 6, 6 Plus)	HTC Droid
iPad (3rd Generation)	HTC One (M7, M8)
iPad Mini	LG Nexus
iPod Touch (5th generation)	OnePlus One
	Samsung Galaxy (S3, S4, S5, S6)
	Samsung Galaxy Nexus

We-Connect may also work with other devices equipped with Bluetooth® 4.0 and running either iOS 7 or Android™ 4.3 or newer. However, these devices have not been tested and compatibility cannot be guaranteed. We-Connect is not available for Windows or Blackberry devices.
